

FARAD CRYPTOKEN REFERRAL PROGRAM

Revision 1.02

Documented on: October 7th 2017

Referrals

1. To register for referral, go to <http://referral.farad.energy>.
2. Only ONE referral code is allowed per registered email address.
3. Only ONE referral code is allowed to be used per redeemed transaction.
4. The code can be shared on ANY channels to spread the news EXCEPT Farad's official Telegram groups or Farad Cryptoken's official Facebook page.
5. Any of the artwork posted on Farad Cryptoken's Facebook page can be used in your campaign.
6. Referrer and referee will earn a fixed bonus of 1.5% respectively for each transaction.
7. You may refer your customers to go to <http://redeem.farad.energy> to redeem their bonus.
8. Any successful redemption using your code will be displayed in your profile page.
9. For PayPal contribution, the transaction hash could be replaced with the transaction ID number.
10. The referral bonus will be in FRD tokens and will be credited not more than 7 days after the token swap concludes.
11. For any disputes or enquiries, send an email to support@farad.energy.
12. Referral program will only be applicable for the 2nd batch token swap until 31st October.

Redemption

1. To redeem your bonus, you may go to <http://redeem.farad.energy> and enter your details in the system.
2. Only ONE referral code is allowed to be used per transaction.
3. In the case a transaction hash or a PayPal transaction ID is used with more than once with different referral code, it will be flagged for review.
4. You will receive an email confirmation once the bonus has been credited into your wallet.
5. The bonus will only be sent to the same wallet as the transaction hash or transaction ID and CANNOT be changed once entered.
6. Referrer and referee will earn a fixed bonus of 1.5% respectively for each transaction.
7. The referral bonus will be in FRD tokens and will be credited not more than 7 days after the token swap concludes.
8. For any disputes or enquiries, send an email to support@farad.energy.
9. Referral program will only be applicable for the 2nd batch token swap until 31st October.
